Question:

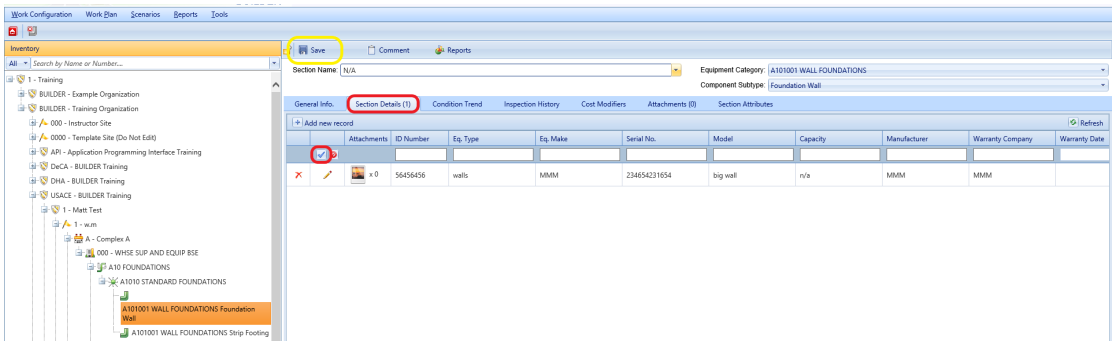

How do I add section detail in BUILDER?

Answer:

To add SECTION DETAILS:

1. Select the section, then in the left pane, click Section Details.
2. Click on Add new record
3. Complete the ID Number, Eq. Type, etc.
4. Click on the blue check mark, which will insert and save the details.

When adding Section Details, make sure to “click” on the “blue check mark” to Save your changes. *Please note that the save button shown below in yellow is for data outside of the Section Details area. This save button would be used to change the section name , equipment category, and component subtype.*
