SMS BUILDER 3.6.7.3 Release Notes

2023-08-18 - Brandon Athey - [Comments \(0\)](#) - [BUILDER Release Notes](#)

Release Date 08/18/2023

Updates to CERL hosted sites will be scheduled with individual customer leads. Self-hosted customers and licensing partners can receive installers on or after the release date.

BUG FIXES:

- The Bureau of Overseas Building Operations (OBO) users who could not log into BUILDER using the OKTA sign-in system can now access BUILDER using this process. This option provides current and future users without having to create or monitor additional passwords or other login credentials.
