SMS Training Site users can now access the recordings for the 2026 SMS Virtual Summit, as well as the related presentation slides and Executive Summary, via a course on the SMS Training Site at https://training.sms.erdc.dren.mil/course/view.php?id=13

Users who do not have an SMS Training account can create one at https://training.sms.erdc.dren.mil/login/index.php

Most new users should be able to self-register for this course. However, users can contact the SMS Helpdesk if they have any questions.
