BRED Access thru iPads, Android or other Windows Tablets

Paul Paisley - 2023-11-22 - Comments (0) - BUILDER Remote Entry Database (BRED)

BRED requires the full Microsoft Operating System (Windows PC Platform) to work, so an Apple (iPad) or Android-based tablet will not work.

A Windows based tablet will work with BRED. Microsoft Surface (Pro), Panasonic Tough Pad, and similar Windows based PC tablets from a variety of vendors will successfully run BUILDER RED (BRED).
