In order to get an ESMS Staging account you will currently need a CAC. If you have a CAC please follow the instructions below

To successfully create your new ESMS Staging user account, please advance through the following steps:

- Go to [ESMS Staging \(https://esms-staging.erd.c.dren.mil/\)](https://esms-staging.erd.c.dren.mil/).
- Select the *EAMS* button under the "Sign in with" section.
- You will be redirected to the EAMS (Enterprise Access Management Service-Army) website. If you have a CAC, click "PKI Login."
- Your account should be locked at this step. Please contact SMS Support ([SMSSupport@erd.c.dren.mil](mailto:SMSSupport@erd.c.dren.mil)) at this point to complete the account setup and unlock your account.
