Question:

How do I become registered as a USAF BUILDER POC?

Answer:

Per AFCEC, please follow the instruction in the SMS Playbook and Facilities Guidance for registering as a new POC. These resources are internal to the USAF and not available to the SMS Support team (smssupport@erdc.dren.mil).

Once AFCEC has approved the POC change/addition, then please forward or attach AFCEC's approval email to smssupport@erdc.dren.mil and we will update our POC records for subsequent BUILDER access requests.

If there are any further questions regarding this, then please contact the appropriate POC.
